# AESTHETIC SERVICES MENU

## The MedSpa Facial

Our one-hour relaxing European-style facial includes extractions, exfoliation, massage, masks and serums customized to treat your skin concerns. .... **\$90**

## Chemical Peels

The MedSpa offers an array of chemical skin treatments (from PCAskin<sup>®</sup>, SkinMedica<sup>®</sup> and Obagi<sup>®</sup>) to address all skin issues such as texture, tone, fine lines and wrinkles, pigmentation, acne, redness and more. All peel treatments begin with a mini-facial to properly prep and analyze skin.

Light depth..... **\$100**  
Medium depth..... **\$150**  
Deep peels ..... **\$200 and up**

## Cosmelan<sup>®</sup> MD Depigmentation Treatment

This treatment uses prescription-strength hydroquinone and tretinoin (Retin-A<sup>®</sup>) to minimize the appearance of severe hyperpigmentation and melasma on darker skin types. Patients must have a consultation with Dr. Waldrop prior to treatment. .... **\$700**

## Waxing Services

Amber Professional waxing products are used to ensure safe and less painful hair removal. Hard and soft wax available. Waxing services are discounted when combined with other treatments.

Small area (ex. brows, lip, chin)..... **\$15**  
Medium area (ex. underarms, forearms, half leg, basic bikini)..... **\$30**  
Large area (ex. full leg, full back, Brazilian bikini)..... **\$70**

*All services are performed by  
The MedSpa's state board licensed esthetician,*

*Janet Holley, LE.*

*Janet has worked in the field of oculoplastics since 1999, and has been a JCAHPO-certified ophthalmic assistant since 2003.*

*She provides skin assessments and laser consultations for Dr. Waldrop's cosmetic practice, as well as assists in the clinic practice and the operating room. Over the years, she has attended specialized trainings and received certifications from Sciton<sup>®</sup>, VISIA<sup>®</sup>, Allergan<sup>™</sup>, Medicis, PCAskin<sup>®</sup>, Novalash<sup>®</sup>, Obagi<sup>®</sup> and NeoCutis<sup>®</sup>.*
